Subject: Air Quality Control Permit No. 42864
Electrical Power Generation - Place ID: 126082

Dear Michael DeConcini,

The Arizona Department of Environmental Quality, Air Quality Division, has completed its review of the referenced permit application.

I am prepared to recommend to the Director that your Air Quality Control Permit be issued with conditions necessary to meet all rules and regulations applicable to this source related to air pollution control. A draft of the Permit with appropriate conditions is enclosed for your review.

In accordance with Arizona Revised Statute §49-426.D, a Public Notice will be issued in the **Kingman Daily Miner and the Mohave Valley Daily News** on **April 20, 2007, and April 27, 2007**. A copy of the Public Notice is enclosed. Please note that a public hearing will be held on May 23, 2007, at 6:30 pm at the City of Kingman Council Chambers, 310 North 4th Street, Kingman, AZ 86401.

You will need to post a copy of this Public Notice adjacent to the nearest public roadway on the property where your facility is located. This notice posting should conform to the attached Public Notice posting requirements. The notice should be posted from the date of first publication to May 23, 2007.

If you have any questions, please contact Pervinder K Tandon at (602) 771-2358 or me at (602) 771-2321.

Sincerely,

Trevor Baggione, Manager

PUBLIC NOTICE

YOU HAVE A VOICE IN AIR POLLUTION CONTROL IN ARIZONA

The Arizona Department of Environmental Quality (ADEQ) has reached a preliminary determination and is proposing to issue Air Quality Control Permit No. 42864 to UniSource Energy Development Company for an Electrical Power Generation Facility located approximately ½ mile east of the UNS Electric's Sacramento substation, and approximately 10 miles southeast of the town of Kingman, Arizona. The mailing address for the facility is: P.O. Box 711, Mail Stop UE107, Tucson, AZ 85702. The proposed Permit is subject to the requirements of the Federal Clean Air Act, Arizona Revised Statute 49-426, and the Arizona Administrative Code, Title 18, Chapter 2, Article 3, 6, 7, 8 and 9. This proposed Permit will limit emissions of the following types of air contaminants: Nitrogen oxides, carbon monoxide, sulfur dioxide, volatile organic compounds, and particulate matter.

You have an opportunity to submit written comments on the permit and make oral comments on the permit at the Public Hearing. ADEQ will be holding a Public Hearing on Wednesday, May 23, 2007, at 6:30 pm at City of Kingman Council Chambers, 310 North 4th Street, Kingman, AZ 86401. The written comment shall state the name and mailing address of the person, shall be signed by the person, their agent or attorney, and shall clearly set forth reasons why the permit should or should not be issued. Grounds for comment are limited to whether the permit meets the criteria for issuance spelled out in the state air pollution control laws or rules.

Materials related to the Permit, including the application, ADEQ's analysis and the draft permit are available for your review at ADEQ's office at 1110 West Washington Street, Phoenix, Arizona and at the City Clerk's office at 310 North 4th Street in Kingman, AZ 86401.

Persons wishing to submit written comments can do so at the public hearing. If mailed, comments must be postmarked by May 23, 2007. Comments should be directed to: Director, Air Quality Division, ADEQ, 1110 West Washington Street, Phoenix 85007.

ADEQ will consider all comments received in making a final decision on the proposed Permit. Everyone commenting will receive notification of the final decision. People who file comments on the Permit will have the right to appeal the final decision as an appealable agency action to the Office of Administrative Hearing (OAH) pursuant to §41.1092.03, and the appeal must be filed within thirty (30) days after the issuance of the final decision. The OAH may sustain, modify, or reverse the final decision.

Persons with a disability may request a reasonable accommodation such as a sign language interpreter, by contacting Linda Morrison (602) 771-4793 TDD phone 771-4829. Requests should be made as early as possible to allow time to arrange the accommodation.

If you would like to receive copies of future Public Notices of Air Pollution Control Permits, please provide a typewritten or a clearly printed copy of your name, address, and ZIP code, to the Director of Air Quality Division at ADEQ's address shown above. Your request should also state that you wish your name to be placed on the Air Quality Permit mailing list.

If you have any questions or would like to find out more information about this Permit, please contact Trevor Baggiore at (602) 771-2321, toll free (800) 234-5677, or at ADEQ's address shown above.
